4 Stroke Rammer

**WACKER
NEUSON**
all it takes!

4 stroke rammer: Long service life and low oil consumption

Wacker Neuson's 4 stroke rammers are classified by an excellent performance which is sustainably convincing. The high stroke energy, high percussion rate and long shoe stroke combined with a fast advance travel achieve excellent compaction results. Well thought-out features make the use of the 4 stroke rammers even more user-friendly, extend the service life and reduce maintenance to a minimum.

- Fast starting due to a small pump to the carburetor
- Strong stroke for heavy, cohesive soils
- Integrated oil deficiency protection with automatic shutdown when the engine is started with insufficient oil level
- Premium air filter ensures an almost dust-free engine operation and provides three times longer change intervals
